

/home/kimson/ns3-mmwave
/scratch/mesh-sim/src
/util/string-utils.h

```
graph TD; A["/home/kimson/ns3-mmwave  
/scratch/mesh-sim/src  
/util/string-utils.h"] --> B[chrono]; A --> C[cstdint]; A --> D[string]; A --> E[vector];
```

The diagram illustrates a dependency structure. A central box at the top contains three file paths: /home/kimson/ns3-mmwave, /scratch/mesh-sim/src, and /util/string-utils.h. Four arrows originate from the bottom of this box and point to four separate boxes below it, labeled 'chrono', 'cstdint', 'string', and 'vector'.

chrono

cstdint

string
