A diagram illustrating file dependencies. At the top, a gray rectangular box contains the file path `/home/kimson/ns3-mmwave/scratch/mesh-sim/src/domain/node-spec.h`. Two blue arrows originate from the bottom of this box and point downwards to two separate white rectangular boxes. The left box contains the text `string` and the right box contains the text `vector`, indicating that the source file depends on these two standard C++ types.
